Enhancing The Lives Of Local Families In Need

Enhanced Living Chiropractic Gives Wellness Campaign Donation

(July 2, 2015 - Greer, SC) Enhanced Living Chiropractic has ended their 2014 Miracle Year For Wellness campaign, with a \$4,000 donation to Greer Relief. Greer Relief's mission is to serve the Greater Greer community by providing emergency relief, promoting self-sufficiency, and facilitating the partnership of the agencies within the J. Verne Smith Center.

Enhanced Living Chiropractic feels that they have a duty to reach out and help the community in many ways. Their first priority and greatest ability is to provide their community with natural healthcare and wellness through chiropractic care. As a part of the Miracle Year For Wellness Campaign they have held events in which they donated the exam fee for new patient exams to Greer Relief.

"I am so happy that together with our patients, we have been able to give to so many families with such a great need. It is really a win-win for both the patients and the benefactors of Greer Relief. We help our patients receive relief from their physical pain, as well as the financial hardship for the individuals and families in our community." remarks Dr. Nina Kennedy.

Dr. Nina Kennedy is thankful for the support of her patients and their help to give back to the community. If you are interested in being a part of this year's Miracle Year For Wellness 2015 campaign please contact Enhanced Living Chiropractic at 864-848-0640.
