BE IN PLACE 1 PM - 2 PM:

- Parade route streets will be blocked beginning at 1:00

PM. Access to the parade line up area will be open until 2:00 PM, for the safety of participants there will be no pass through traffic after this time. Be sure your float/vehicle and participants are in place by then. If vehicle / floats arrive after 2 PM, you must go around the blocked roadway to parade staging at Poinsett St & Pennsylvania Ave for entry. If you arrive after 2 PM you will not be placed at your assigned line up number, you will be in the end of the parade.

#### NO STOPPING:

- Keep moving, there must be limited space between your entry and the entry in front of you. We want a full moving parade for our guests.

#### 3rd Annual Toy Drive

- We are asking for new toys to be brought to the parade for the Christmas Morning Shoppe, [click here](#) for more information on the program.

#### SENSORY SAFE ZONE:

- The first block of the parade route on Poinsett Street between Memorial Drive & Hubert Street will be for families with children who experience distress dealing with sensory stimulation. All parade entries are asked to refrain from revving engines, using sirens, air horns, and car horns along this portion of the parade route.

#### DO NOT LITTER:

- Make sure that all trash is disposed of properly before leaving your staging area and no disposal of trash on the parade route.

#### OBEY TRAFFIC LAWS:

- Please remember that traffic laws are in effect and enforced other than on the parade route. Please do not transport passengers on floats other than when in the parade procession. The parade ends at J Harley Bonds Center and proper restraints are required after that point.

#### ATTENTION: Rented Float Units:

- Thank you for renting a float from us for the Greer Christmas Parade! We have 4 Cline floats this year including Santa and are excited for each and every one of you to participate. All floats come with driver and are set up for you.
- FLOATS WITH MUSIC: You will need to bring a Bluetooth capable device with your music choice on it to be played through the parade. The floats are assembled at the Greer Post Office, then driven to their parade number for loading. The float company asks for each float to have no more than 15 participants riding and to not load until 15 minutes prior to pulling out. It does not take long to load the float, even with a lot of children. For the safety of all participants all Cline floats will be unloaded in the J. Harley Bonds Parking Lot. Do not let riders jump from the float while it is moving.

### Entry Reminders:

- The Parade Staff may require an entry to make minor adjustments to ensure the safety of everyone. In extreme cases, the unit may be removed. The following are not permitted in the parade:
  - side by side trailers
  - open fires
  - silly string
  - political pamphlets
  - un-diapered horses
  - exotic animals
  - Santa - We have THE SANTA, at the end of the parade.
- NO Throwing from your unit, including candy.
  - Persons walking beside the entry may hand out candy. It must be done in a safe manner by walking beside the vehicle and handing the candy to the recipient.
  - Your group will be ejected from the parade route if anything is thrown.
  - This is for the safety of the parade attendees, we do not want small children running into the street, in front of a moving vehicle, for candy.
